MEN'S RETREAT

NOVEMBER 3-5

BE STRONG AND COURAGEOUS

We hope you will join us for our Men's retreat and learn what it means to "Be Strong and Courageous." We will dive into this important instruction from God's Word! Did you know this phrase is used 50+ times in the bible? The most common narrative it is used with is the story of Joshua and how his actions brought hope to a nation and fulfilled a promise to bring his people out of

their life experience of decay, division and destruction. Our hope is that all men will walk away being inspired to grow and deepen their personal

connection with their Savior and other like-minded men. There will be opportunity for personal reflection, community conversation and intentional "chill" time to relax and enjoy the environment and people in it!

November 3-5, 2023
